Prokofieff CLASSICAL SYMPHONY IN D MAJOR, OP. 25

St. Louis Symphony Orchestra VLADIMIR GOLSCHMANN

CONDUCTOR

"To put down that which, if he were living now, Mozart might put into his scores." Such was the ideal of Prokofieff, the modern, when he imbued the formalistic scheme of the 18th Century design with the vivacious themes of his Classical Symphony. The full measure of his success may now be enjoyed through listening to the St. Louis Symphony Orchestra interpret this Symphony with all the rollicking exuberance which is characteristic of Vladimir Golschmann and his organization. The Classical Symphony is tuneful, with a decided "Peter and the Wolf" tinge. It's as immortal as Spring, and just as enchanting. It's young in spirit, and mature in mold, and altogether exhilarating. ALBUM DM-942 4 Sides List Price \$2.50

SONATA

It was said that Wagner "saw the stage as he composed" but even he would be thrilled by this dramatic recording of one of his most famous scenes from "Lohengrin." The emotional, heart-swelling music which he wrote for the Bridal Chamber Scene is here projected with almost breath-taking beauty. The world's greatest Wagnerian hero and heroine pour forth a wealth of golden tone. As the beautiful Elsa and the noble Lohengrin, Flagstad

Arcangelo Corelli (1654-1713) is noted in the musical hall of fame as the first composer to create a definite sonata grace of the earlier composer's lucid, fluent style, has edited several of Corelli's compositions for the pleasure of

PRAELUDIUM AND ALLEGRO IN E MINOR Kreisler-Sevitzku

INDIANAPOLIS SYMPHONY ORCHESTRA FABIEN SEVITZKY, Conductor

Composed by Kreisler, orchestrated and interpreted by Fabien Sevitzky, this unusual composition captures the true artistry of both. From the grave, carefully paced Praeludium or Introduction, through the fleet-stringed Allegro, you'll discover profound musical thought and feeling. The skilled strings of the Indianapolis Symphony predominate in a rich, choir-like setting.

More hero and heroine music-with romance from two of the world's most delightful operas. Bjoerling, Schymberg and Grevillius represent an all-Swedish cast of stellar quality. The clear-flowing voices of soprano and tenor blend in duets which are particularly beautiful and the orchestral support is excellent. If "Love is the Sun" this record reflects its radiance.

RY THE SLEEPY LAGOON Eric Coates Charles G. Dawes MELODY

TOMMY DORSEY AND HIS ORCHESTRA TOMMY DORSEY, Trombone Soloist

The disc you've been hoping Dorsey would make! Only a Red Seal record could hold such symphonic fusion of tone, and its effects are no less than wizardry. Can those shining, smooth, liquid notes flow from a cumbersome trombone? Only when the trombone is Dorsey's. Can a popular orchestra mingle gorgeous harp glissandos and shimmering strings with sharp, clear brass? Only when Dorsey blends them. Can the haunting melodies of Eric Coates and former Vice-President Charles G. Dawes be coupled on a disc that's sheer magic? They can and are when Dorsey plays them and sensitive Victor microphones pick up each shining note.
